Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Monday 15 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning windy with sunny spells and showers for Tuesday.

This Evening and Tonight:
Dry and mostly cloudy during the evening across the region. A band of rain for later in the night pushing northeastwards locally heavy and easing towards dawn. Feeling mild, despite strengthening winds. Minimum temperature 7 deg C (45 deg F).

Tuesday:
Windy and dry start with some sunny intervals across the region and scattered showers for the north. Further showers, locally heavy during the afternoon but clearing later. Remaining mild. Maximum temperature 11 deg C (52 deg F).

Outlook for Wednesday to Friday:
Dry with clear spells to start for Wednesday, with blustery showers to follow. Unsettled on Thursday and Friday with further rain accompanied by strong winds and possible coastal gales.
